

Celebrating 100 Years of Prentis Park

By: Catherine

I have only been in Vermillion for two years and I've already found a bunch of things I like to do at Prentis Park. I like to go to the pool and do the obstacle course. I don't mind if I fall in, I just like doing it. I keep count of how many times I've completed it.

I like going down the tube slide with my friends or my siblings. I love screaming as loud as I can in there to scare the kids waiting to go down the slide. When the pool closes, I sit at the playground and wait for it to open up again. Sometimes I see some of my friends waiting too.

I like getting sunburnt too because it makes me look like a hotdog. The feeling of it though drives me nuts. It itches and whenever my mom gives me a kiss on the cheek when she drops me off at the pool, it stings and burns. I try not to worry too much because I can just put aloe on my face.

Even though Prentis Park is old, I'm so excited for it to open back up again. The first thing I'm doing is going down the slides, I can't wait!

Prentis Park is always a nice place to go, I mean there's a pool, a basketball court, disc golf, a playground, and many much more. Those are only a fraction of reasons why I like to go to Prentis Park. First of all there's basketball. It always appeals to me that the basketball court is always there to play on. So any time you want you can shoot some hoops and go right back home. Secondly there's the playground. You can do many things like swing on the swings, slide on the slides, climb the monkey bars, and much more. Overall Prentis Park can fit in with any interests and that's why Prentis Park is always fun to go to.

I have had so many memories in Prentis Park. I had my 7th birthday in Prentis Park, I met one of my best friends in Prentis Park and I found one of my passions in Prentis Park-basketball. ~~Prentis~~ I would be absolutely devastated if Prentis Plunge got torn down because I spend about 75% of my summer there.

I love how Prentis is a place for people to come together. I like how even if you can't walk, can't hear, can't move or even can't speak, it's a place you won't get judged.

I'm extremely glad that Prentis Park is in Vermillion

I have two favorite things to do at Prentis Park. I love all the things at prentis but my two favorite things of all are the pool and the base ball field. This next paragraph is going to be about why I love them so much.

I love going to the pool because it always feels real nice on a hot day to go down the water slide or jump off the diving board. I also really love going or meeting up with my friends there. It is also a really great area to make friends. I also really love the baseball field. I have spring training and tryouts every year there. Overall it's one of the best baseball fields I've ever seen and played on, and that is my two favorite things to do at prentis park

What I like to at Prentis Park

By: Kaleb

I like to play at the Prentis Plunge pool. It is so fun to go down the slide and play with the basketball hoop. I like to jump in the pool and dunk the basketball. I like to dive off the diving board and play in the deep end with friends.

It is also fun to watch baseball games there. I like that they wear red jerseys and work hard during their games.

I like to play basketball with my friends. We like to shoot around or play one on one with my friends.

The reason I love Prentis is because
I have made many memories there.
Having fun at the pool, going down the body slide
for the first time, falling out of the tube
on the tube slide and much more. My favorite
memory is with my best friend, who now lives in
North Carolina. It was one of his last days in Vermillion
To spend one of our last days together we decided
to get some food and go to Prentis. That was
one of the best days of my life.

Prentis Park is a great place to play at and go swimming in the summer. Some stuff I like to do at Prentis is go on walks, play basketball, play at the park, and go swimming, you also can have picnics. Those are some of the things I like to do at Prentis Park. You can do many other things and have fun. I think building Prentis and the pool was a great idea. I love going to Prentis to hangout with friends and family. It is a great place.

Spanish you go down a slide. Well everyone does, this is what I like at prentis, so I like nature, games with friends. The pool, park, disc golf, and basketball, I also like to use the app pokemon go, you can also have a picnic and look there to the also have a baseball field. Also did you know the wall of rocks it was and band shell were a band would play every night. There was also a family that owned all of the land of prentis park. Then they sold it they also said to not put any ads on the baseball field, so yeah goodbye.

When I think of Prentis Park I think about the things I love to do there. Frisbee Golf is one of my favorite things to do there. I didn't know what it was until my friend asked me if I wanted to play. I said yes and it was fun. I didn't do good at all. Basketball is my other favorite thing. I go and play with my friends. I really like it because I can see how my friends have improved. As you can see Prentis Park is amazing to me and maybe the best ever.

By Luke

Prentis Park

By: Jocelyn

My favorite thing to do at Prentis Park is swimming in their pool. The pool at Prentis Park is my favorite because in the summer you can go to the pool and cool off. The pool at Prentis Park is the biggest pool I have ever seen. The pool is fun and helps you get outside and off electronics. The pool is personally my favorite because whenever I'm bored I can go to the pool and play for hours. The pool is also cool because it is twelve feet deep and has diving boards. When you go to the pool you can dive, flip and swim.

My other favorite thing to do at Prentis Park is the actual park. The parks at Prentis are huge and big enough for at least 15 or more people. My favorite is the swing. You can use the swing for multiple things. You can lay on your belly like superman, or you can twist it and it spins you like crazy.

Hi! I like to go to Prentis Park, why? Because it's always peaceful, fun, and good experience. What I love to do there is that I love to do challenges, plus I love to go on the swing-set. When my friends comes there, I would love to chat.

When the pool opens, I ask my mom for a pool pass so I can go swim. The pool places are the best because it's good for your body to use your energy. Learn new stuff like: new equipment they built. I love to race someone. When the life-guard blows the whistle and everyone gets out, I run to the snack bar and get my favorite candy.

Baseball, the pool, and Parks. All the things
you can do at Prentis Park and a lot more.
My favorite thing to do at Prentis is to watch
a baseball game with a hot dog. My opinion is
that the best thing to do at Prentis is to
watch a baseball game. I like to chase after
foul ball that come over the fence and if you
get it you get a piece of candy or a quarter
when you return the foul ball. The concessions
aren't very expensive to get a freeze or
something. Over all Prentis park is the
best place to watch a baseball game in
South Dakota.

Prentis Park is a splendid place in Vermillion to enjoy freetime at. Prentis is popular for the history behide it, Prentis Plunge, and sports. My favourite thing about it is the events. There is events like, Shakespear, Rythm in Red, and other musicals. Here is one secret about Prentis Park, is that people still geocache at the park. Sports are held there. Baseball disc Golf, and Basketball. My Favourite is disc Golf because I am really good at it too. Overall Prentis Park is an amazing Park in our community and to enjoy outdoors.

Hi, my name is Beatriz and
I am in 5th grade. One of my favorite
things to do in the summer is go
to Prentis Park. There are many fun things
to do there. For example, the pool. Prentis Park
pool has so many things like a lazy river,
diving board, slides, and pools. At Prentis Park
I also enjoy playing Disc Golf. There is
a huge course to disc golf on. Another
thing I like to do is take a walk
around the park. There is so many pretty
flowers, trees, grass, and animals. Lastly at Prentis
I like to have picnics on warm summer
days. Prentis has many fun things to
do like the ones I stated. Overall I think
Prentis Park is a great place. Have a good
Summer.

By Beatriz

Some of my favorite things to do at the playground are climb up the slide, do the monkey bars, go down the slide, play tag, lava is rising, infection, and a lot of other games. Some more things I like to do are try to climb things and that one spinny thing under the long not twirly slide and the rock wall. Speaking of that rockwall at the park, I like to climb up as fast as I can and climb down as fast as I can. Sometimes it involves jumping.

I have lived in Vermillion for about four years and Prentis is one of my favorite attractions and most enjoyable places. I am so glad it has been 100 years since its founding, it is crazy how old it is!

I think that Prentis Park is an amazing place to go when you want to have some fun and hang out with friends and swim and to play baseball or just sightsee or watch baseball games and it is basically a historical monument. I like to swim there almost everyday and honestly I am really excited for the pool to open on the twenty-seventh which is really soon and four days after my birthday. Those are all the things I like to do at Prentis Park.

It is nice to go to the swimming pool when it's hot. The swimming pool and the playground are fun to go to prentis park. It is my favorite to go to the swimming and the playground. I like to play with toys. When I play in the swimming pool, I like to change clothes and clean wet clothes. I want to go down the slide and go on the swings. I like playing with other friends. It is good to go to the swimming pool and the playground. I think that the playground is great but the swimming pool is the best. Prentis park was the best thing to go on a hot day.

What I like about Prentis is that I can go to the Pool. I can play in the deep end. I also can play on the slide at the park. I sometimes play on the play ground not all the time though. I mostly play in the pool. I get a pool pass so I can go there whenever I want. When my mom says yes, I play on the slides, the park, and the deep end and the lazy river. That is what I like to do there. At the park I just play on the slides.

I know a lot of people who love prentis park and the pool. My personal favorite is the pool.

Oh lets get in to this prentis is a great park. It also has a great pool. I am usually at the pool at prentis and go to the park after. My favorite thing at the pool is the slides and deep end. I like the deep end because I can do trickes and swim in the deeper areya. I don't really know why I like the slides. This is all the things I like.

I hope you enjoyed.

Like most kids I like going to Prentiss Park. One of my favorite things to do at the park is going to swim at the pool. It kind of bums me out that the pool is only open for like three months. That's why I try to go to the pool four times a week. At the pool I obviously swim. The pool is amazing. I cannot say that enough. My favorite part of the pool is the lazy river. I especially like going down the slide into the lazy river. The pool at Prentiss Park is one of the greatest places in Vermillion and I recommend people to go there.

I really love the basket ball court at Prentis Park, and I love to do stuff on the play ground like.

- Cherry bomb - Because I can find really good spots to stay at, and I never touch the ground so I win every time.
- Hide and seek - Because I always find good spots to hide and I always win.
- Tag - Because it is good for you, because you are burning calories. With my friends. That is almost every thing. I'm glad that Vermilion has Prentis Park.

By Logan

Celebrating Prentis Park

By: Liz

Prentis Park is such a fun place to go during the summer and winter. Celebrating its hundredth anniversary, here are some things I enjoy while at Prentis. During the summer I like to bike or walk there, it's a really nice place to simply just walk around, swim and play basketball for hours. I love going to the pool with my friends and staying all day. After the pool we go to the playground to dry off and walk around. When the pool is closed at night I go on walks there and enjoy all the trees and the sky. Still there are so many more activities. Prentis is a place to walk your dogs, play frisbee golf, play horseshoes, have picnics, watch the Shakespeare play, watch baseball and much more.

I have been growing up around Prentis my entire life. While spending time there I have made close friends and lots of memories. I've watched Prentis grow and evolve. When I was younger I would go to the old Prentis Plunge, I don't remember much but I know it was my first time in a deep pool. I've had parties and cookouts and lots of different events at the shelters. When I'm with my friends hanging out and we get bored we go to the park, we spend the rest of the day there running around and just playing.

Prentis Pluge is the center of the park. The pool is such a fun element of Prentis. The current one has so many different things to do. They have the two water slides, diving board, lazy river, lily pads, the kiddy pool and of course the swimming area, after all that there's still more. At the pool you can't get bored, if you get tired or hungry there's the concessions. It's such a fun experience and I would spend the whole day there if you could.

At Prentis Park I like to go to the Pool with my friend and family. Sometimes I go all the time most of the time I am at the Park. Sometimes I go to my friend house and then we go to the Park.

Most of the time I go to the Pool with my sisters and brothers and then I get mad at them when it is hot out I get with my friend and swim then we go back to the Park then to the Pool for like 3 hours then we go on the Slid for like 50 times and then we go home then we do it the next day.

Prentis Park is huge, and it is why I play there a lot with my friends. The games we play are tag, hide and seek, and the hunt is park. That is why the size of Prentis Park is good for the games that I play. Prentis Park is the best place to play at with your friends. For hide and seek my best place to hide is the band shell. For all the games we play the boundaries are the far corner of the park. We like to play freeze tag a lot more.

30 words
Prentis Park. Whenever I get to go to the park I enjoy a lot of stuff like the big pool, I personally like the pool cause it's very big, and when it is hot the pool is very refreshing.

40 words
I really like watching big green or pink trees grow. The pink trees are very pretty and they interest me. The green trees are super cool they also interest me. In my opinion the pool is the best thing there.

Overall I think prentis park is a very fun place. You can also do a bunch of different games. Those are the things that I really like about it.

"What I like to do at Prentis Park"

(Please use the space below to write a 100-word essay.)

Did you know that parks can lower the risk of getting robbed? Yeah! It's true! That is just one of the many reasons why parks are amazing. There are lots of things I, and other people like to do at Prentis park. Some things that I like to do are play underneath the trees. I really like the idea of surviving in the wild, so I like forestry areas to explore and play in. I also like the Band shell. It is very fun to watch the Shakespeare shows. Overall, I really like Prentis Park. I'm glad it is here.

Parks are great places to make memories. And what better place to make those memories than Prentis Park, one of Vermillion's biggest and best parks. And Vermillion has a lot of parks!

One of my favorite things to do there is swimming in the pool. The slides are amazing! So is the diving board. Sometimes I dive off the side of the pool. In the deep end, of course.

I also like watching baseball games at the baseball field there. I went with my dad once, and I got Laffy Taffy.

In conclusion, there are many fun things to do at Prentis Park.

By Jackson

Prentis Park

By: Joseph

The thing that I love about Prentis Park is the rock wall because I get to climb on it and take pictures on it. One time I got stuck on the rock wall. When I was climbing it I got in the center of the wall, I fell down and hurt my legs. I was seven at the time.

The other one is the basketball court. I was making every shot but one time I was going to make one until I farted out loud and everyone around me heard me. I would go with my brothers and play. I tried to get the ball, but my brothers kept pushing me.

At Prentis Park you get to have a picnic and other stuff like throwing frisbees or watching a baseball game.

The main part of Prentis Park is the park, kids go there everyday. When I go there I take my turtle there.

100 Years Of Prentis Park

By: Zoe

In honor of the 100 years of Prentis Park I will be naming things I like to do at Prentis Park. I have been living in Vermillion all my life and have been to Prentis Park many times. I have many memorable memories at Prentis Park and I would like to share this with you.

One of the things I love to do at Prentis Park is play on the playground with my brother and friends. We love to play Sea Monster. Sea Monster is a game where one person is a Sea monster and their goal is to kidnap all of the mermaids and mermans in Shiprock Bay. What the mermaids and mermans goal is not to get found by the Sea Monster and free mermaids or mermans that have gotten kidnapped.

Another thing that I like to do at Prentis Park is go on picnics with my family. We have so much fun and the scenery there is beautiful. In all it's a great way to reset and have fun.

Celebrating Prentis Park

By: Nora

We are celebrating 100 years of Prentis Park. Since I have been there a lot I know a lot of things there. I am going to write some things that I like at Prentis Park.

One of the things that I like a lot is the pool. It is fun to play at the pool and with my family and friends. I am also glad that there are breaks at the pool so you can get a snack or go to the bathroom.

Going to the park is another thing that I like to do. I like to play at the park. I like to hang on things so I like the rock wall and the monkey bars. With my sister we can play on the swings and go down the slides.

There are also basketball courts that I can play with my friends and my dad. I have gotten a lot better from going there.

That is all the things that I like at Prentis Park.

Prentis Park

By: Starling .

Here are the things I like to do at Prentis Park. I like to go to the big park they have there. What I like to do at the big park is play on the swings and slides.

I like to go to the pool there, it is called Prentis Plunge. Prentis Plunge is really cool because it has water slides, a lazy river, an obstacle course, a diving board and it has a big pool area. My favorite part of Prentis Plunge is probably the lazy river because you can just relax and talk to people. The thing I don't like about Prentis Park is the water slides. I have gone on them twice, the first time I hurt my lip and almost drowned and the second time I almost drowned so I now stay away from the water slides.

I really like Prentis Park because it is fun and amazing. The pool is really nice, the park is really fun and the scenery looks pretty.

Hundred Years of Prentis Park

By: Shy

I like Prentis Park's pool because there's a basketball hoop I can play with my friends and the 12 foot part of the pool is a good place to play tag. The diving board is so good you can bounce high and do flips really easily. diving in it also is a really good breathing exercise it's fun for almost everybody it's a really fun way to hang out, have fun and make friends

You can have picnics you can set up hammocks have a fun cookout at the the little gazebos there are also all the fun games you can play with your friends or by yourself

Congratulations Prentis Park for Hitting 100 Years Old!

By: Brynn

Some things that I like at Prentis Park are Prentis plunge, the shelters to hang around with my family, The baseball field and many more.

One of my favorite things I like to do at Prentis Park is to go swimming with my family and friends at the Prentis Plunge. I like the slides, The snacks, the diving board and the lazy river. Prentis Park is a great way to communicate with the sun!

Another one is the shelters. I had my 9th birthday there. It's great to hang out with family and friends or you can do a steak out with family. It can be used in a lot of different things.

Prentis Park

By: Cadee

What I like to do at Prentis Park is the pool. The pool is fun. I spend a lot of time with my family and friends there. My favorite thing to do at the pool is pretty much all the things you can do at the pool, but it's probably hanging out with my friends and family that is my favorite.

Another thing is the playground. The playground is fun because me and my brother and friends go there. The reason is, it's big and open so we can run around there. It's not small, it's a good size playground. Thank you Prentis Park!

Congratulations Prentis Park on 100 Years of Fun!

By: Tessa

Prentis Park is full of fun things to do like going to Prentis Plunge, playing at the park, going to the basketball courts, going on walks, picnics, horse shoes, watching baseball, frisbee golf and putting up a hammock.

My favorite thing to do at Prentis Park is go to Prentis Plunge because the slides are fun, the diving board is fun and the lazy river is also fun! The workers are super nice. I love that I can ride my bike to the pool with my family and friends.

Congratulations Prentis Park!

Celebrating Prentis Park 100 Years

By: Dominic

Parks to me are usually pretty fun but sometimes they are really boring. Like the ones on school trips, but from what I have heard of it, it is pretty fun. I heard there is a pool and I love swimming, I wish I could do swimming here, it sounds pretty fun. I have also heard that there is frisbee golf which does not make any sense but I am here for it. I wish I had more time to do stuff but I hope it stays standing for a very long time.

One Hundred Years of Prentis Park

By: Rotavious

I like to go and play basketball with my brother and dad at the park on a sunny day. I love to go swimming in the 12 feet pool and jump off the diving board. I do front flips on it. Sometimes I go to the park just to relax and watch videos on my phone just to spend time outside without playing sports.

I like to go to Prentis Park pool because there's two water slides and a lazy river that you can float on and slide on. There's a lot of things to do at the park like take pictures, go on picnics, have birthday parties and a lot more fun stuff to do there. That's what I like to do at Prentis Park during my free time.

Prentis Park

By: Grayson .

There are Things I like to do at Prentis Park. I like to play basketball on the courts, play tag on the playground and I go on the swings. When I go on the swings I like to go high and I also like to jump off the swings. But only when I'm low to the ground and not when I'm high in the air. Sometimes I hurt my ankles when I jump off so I barely do it any more. We also like to play football on the sidewalk but we make sure no dogs or people are not around. We run around and we play hide and seek around Prentis. and I also like to have my birthday parties and picnics there. Sometimes when we go there my friends and I take pictures together, which is my favorite thing to do at Prentis Park.

100 years of Prentis Park

By: Colton

I have lived in Vermillion most of my life and Prentis Park has always been fun. I like to play games with my friends. I like to play Hide and Seek at night at Prentis Park. I also like to play tag and lock my friends in the strapped swings.

I like to swim at the pool during the summer. I like it because it is fun and a great way to spend time. The lazy river at the pool is my favorite place to go in the pool. I don't like how kids push other kids off the baseball bat.

Even though I do not go to it, the Shakespeare thing sounds really cool.

I love Prentis Park and it will always be my favorite place in Vermillion.

What I Like To Do At Prentis Park

By: Jesse

I like to play at Prentis Park. I play at the playground with my friends. I like to play on the swings and play fun games with my friends.

At Prentis I'm looking forward to playing at the pool with my friends. I am also looking forward to going down the slide at the pool.

I like to play baseball too. I look forward to playing baseball with my friends.

What I like To Do at Prentis Park

By: Nicholas

We are celebrating 100 years of Prentis Park. What I like to do the most at Prentis Park is go to the pool, go to the playground and play games with my friends. I love to go to the pool, get food with my friends and swim. My friend doesn't like the water slides after he eats and he gets food at almost every pool break, so then I go on them by myself.

What I like to do at the Prentis Park playground is play games where I chase my friends around the park playground and it makes me tired.

100 Years of Prentis Park

By: Emma

In the 100 years of Prentis Park my favorite things to do there is swimming at Prentis Plunge, playing on the playground, frisbee golf, walking with my dog and just walking around.

My most favorite thing to do in the park is to swim. I like to swim there because it is really fun and it is really big. I love to go swim on a nice warm summer day. I really like to go on the water slides. I really like when me and my friends go together. I go swimming mostly everyday. I could spend hours at the pool at a time. I also like to tan. I lay there and tan for 45 minutes. I like to read a book while I tan.

I also like to play on the playground. I really like to play on it before the pool opens. It is so fun. I also like to play when my little brother has swimming lessons. I play on it with my cousin while her little brother does swimming lessons too.

I like to play frisbee golf with my brother and dad. We play a ton. We do it a lot in the summer too. Sometimes my brother's friends come with us to play.

I love to walk with my dog on nice summer days. By the way my dog is huge so it is a little hard to walk him, but it is still fun. I love to walk my dog with my friends. It is always fun and sometimes we stop at the park so that my little brothers can play.

I love to just walk through the park. It is always relaxing. My cousin and I are the same age. She comes over to my house every Wednesday so we always walk through the park and stop at the park to play .

Congratulations Prentis Park on 100 Years of Fun!!!

By: Olivia

My favorite things to do at Prentis are the basketball courts. I like them because basketball is my favorite sport to play for fun with my friends and family.

Another thing I like is going to the pool. It is so fun because I like to go down the slides. My favorite slide is the body slide. I also like the lazy river because I love just sitting in the tube and relaxing.

I also like the park area. I really like the swings and all the slides and rock walls. I really like to play tag on the playground with my friends and family.

Lastly, I like the picnic shelters. You can have all kinds of parties there.

Celebrating Prentis Park

By: Ber

These are the things I like to do at Prentis Park. I like to go and hangout with my friends there and go on the swings. I like to go on the swings because I get to go super high when I swing. I also like to go on the spinny thing. I like it because you can go fast and it feels like my brain is spinning in my head. My favorite thing at Prentis Park is to go to the pool. I like to go on the slides. I also like the deep end and the bat. Another of my favorite things about Prentis is the basketball courts.

Hundred Years At Prentis Park

By: Collin

I like Prentis Park because of the pool. The pool is so fun when friends are there because then you have a lot of stuff to do. Like go down the water slides, play tag in the water and run across the lily pads.

In the playground area there is a lot of stuff you can do. You can take pictures in front of the rock wall or play tag. The reason I like Prentis is because I live close so I can go whenever I want, but I still need permission from my mom. Whenever I walk home from school I like to go and play.

Things I do at Prentis

There are lots of things to do at Prentis. The park is close to my house so I can easily access it. I can ride my bike there and play on the playground. I can also go there by foot because of how close it is to my house. I really enjoy going to the park in the summer because Prentis Plunge is right next to the park. I also really enjoy going to the pool with my friends. Going to the pool is one of the best parts of going to the park. Lots of people go there everyday. They have concession stands. And they sell many different items like ice cream sandwiches, hot dogs, pretzels, soda, pizza, and many more. I also enjoy playing basketball with my friends at the pool. In conclusion, I really enjoy going to Prentis Park. I will continue going there.

Prentis Park

By Taten

At Prentis Park I like to play basketball with my dad, sister and my brother. I like to shoot hoops and run on the hard floor. I like to play with other people and make new friends at the basketball court.

I like swimming at the pool and doing the obstacle course. It is really hard but I still try my best. I like the slides, but not the orange slide hurts my back. Sometimes I do and sometimes I don't like the food. I am starting to save up my money. I can't wait for it to open. This is the best park that I have ever been to. I just can't wait.

I like the park, I like swings and the tall slide. I can't wait to go there again. This will be really fun. I like the rock wall, I jump off it and it is really fun. This is the best park. I like the spinning thing that goes around and around. I am so glad that people built this park.

100th Anniversary of Prentis Park

By: Emiel

What I like to do at Prentis Park. Sometimes I like to bike around Prentis and look at the attractions there, such as the rock wall (where I watch the William Shakespeare plays). Sometimes I like to look at the trees and nature. Some other things I like to do are, watch the games at the baseball park and play at the playground. My favorite thing to do is to go to Prentis Plunge and go down the water slide and dive off the diving board. I also really like to play basketball with my friends at the basketball court.

I like to play kickball with college students and also play basketball sometimes. I like to watch the baseball games there. Once when they hit a home run, I ran over to where it was and grabbed the ball and kept it. I like to walk around and hang out with my friends.

Prentis Plunge is really good for cooling off. At Prentis Plunge once I was throwing around my hat with my friends in the pool. I also like to play basketball in the little hoop at the pool. I also like pencil diving into the deep part of the pool. I also like to cannonball in the deep part of the pool. A few times I belly flopped in the deep part of the pool. I like to float around for hours in the lazy river until the water walking starts. When I go down the water slide with a floatie, it takes so long that it starts getting a little bit annoying. The obstacle course is so fun, I like trying it without taking a single step by sliding, I also sometimes like doing it by running across and we always have a giant line of people also trying it. In the deep part of the pool it can be a challenge to get to the very bottom for me because I can never sink. Sometimes I use a pencil dive to try and it also gets me pretty close, sometimes I use a cannonball to try and it gets me so close, But the only thing that gets me to the bottom is with help from the ladder to pretty easily get there. I also like to play games with a lot of people on the giant baseball bat at Prentis Plunge sometimes, one or two people trying to get us off by shaking the bat really hard or once most people are off they all group up and push really hard, which is usually very effective to get people off the giant bat. Sometimes I also like to play a shark game with my friends where one of us is a shark and the others are trying to get away from whoever the shark is.

I have seen people hammocking in the trees and I think I will try it this summer. I sometimes have picnics or go to any special events or carnivals they have there. I like to have parties in the little canopy things sometimes. You could probably have a barbeque there.

What I like to do at Prentis Park

By:Stella

Somethings I like to do at Prentis Park is the pool! I like going to the pool on a hot summer day and cooling off.Maybe even get a treat from the snake stand. I see my friends and get to bring my family to have fun or celebrate a birthday. I also have my swim team practice in the mornings at Prentis Plunge. If Prentis wasn't here today no one could have fun in the sun!

I also really like when they have an outdoor theater that you can go and watch. It's called Shakespeare in the Park. They always have a play that Shakepeare wrote and they are all so fun and colorful. You want to go back each year because you know the actors are going to make the play better each year. They may have a better set,more colorful and cool outfits. I think everyone should watch the plays even if you don't like plays,I assure you you will love these ones.

The park is also super fun for just hanging out or trying to cool off. You can hang a hammock between two trees and read a good book. You can take a walk among the beautiful nature. You can also go on a read along walking through the park. The public library puts up signs with pages of a book on them so that you can walk around the park and read the book along the way. You can also play lots of sports in the park like basketball ,baseball and frisbee golf.

There is always something you can do at Prentis Park with any one like your grandma, brother, sister, dad, mom, uncle, aunt, grandpa or your dog, cat, pig, cousin maybe even a horse the options are endless. Going on the playground or playing some basketball with your friends. Overall I think Prentis Park is a great way to spend your summer days.

Honorable Mention

Some of the things I like to do at Prentis Park are go to the swings with my friends. The background noise of a bat cracking and cheers erupting from the crowd. The splashing from kids and parents jumping in the pool. I love to go to the shape sphere show. I think that it is a great thing for adults to watch while kids swim. I also like to go down the big slides at the pool. My favorite part is when I do a turn in my floaty or I shoot down on my back at the slide I call straight down fast slide. That is the BEST!!!! I LOVE Prentis Park!

Celebrating Prentis Park

By: Lola

Celebrating 100 years of Prentis Park I am going to write about some things that I do during the summer at Prentis Park.

One of the things that I do at Prentis Park is ride my bike there, hang up my hammock in the trees and enjoy the fresh air and nature.

I like to go to the pool and spend all day there with my friends and family. I jump off the diving board and do the obstacle course. I also like to go on the basketball court.

I like playing on the playground. Some of the things I like to do on the playground are swing on the swings, climb the monkey bars, slide on the slides, climb on the rock wall and go through the tunnel.

I also used to have girl scout meetings there too. I like to ride my bike on the trails through Prentis Park.

Prentis Park

By: Eben

For celebrating Prentis Park's 100 birthday I would like to share some things I like to do.

I like to swim at the pool and go down the slides because I love swimming a lot and my favorite part of the pool is the deep end. I like to have diving and cannonball contests. I also like to have competitions on the diving board with my friends.

Another thing I like to do is watch my brother play baseball at the baseball field. I like to catch foul balls and play catch with my friends.

More things I like to do are play on the playground because me, my sister and dad like to play lava monster a lot. We also like to play tag.
