What do I love about Prentis Park? I love all the dandelions in the early spring. I love hearing the calls of the birds while taking a stroll through the winding paths. I love the first leaves on the trees. I love laying in the cool grass at night and looking up at the amazingly bright stars. In autumn I love the beautiful colors of the fallen leaves. I love the squirrels getting chubby in preparation for the cool winter. I love the perfect flannel weather. I love having a place to go when the stress of starting school gets to me. And I love the way my converse look against the wood chips on the playground. I love how many memories are held in this park. I love Prentis Park.

Prentis Park plays a key role in Vermillion's history. It also has many fun opportunities within it. I play on the 14U baseball team, and I get to play and watch games at Prentis Ball Park. The basketball courts are also great for improving skills and making friends. My favorite is the Prentis Plunge. This pool has two slides, a diving board, lazy river, deep pool, and shallow pool. It is the best thing to do in the summer if you don't have much to do. The disc golf is fun too. That's why Prentis Park is awesome!

I love going to Prentis Park. I love meeting new people at the pool, and re-connecting with my old ones! I enjoy going to the park with my family, and spending family bonding time with them. The gentle wind on my face as my brothers and I play tag is magnificent. Another thing that I love to do at Prentis Park is playing frisbee golf. I always have the best time and make the most amazing memories there. Prentis Park connects friends together, and is a great place to have a good time. That is why I love Prentis Park.

There's a lot of things you can do at Prentis park. I also do a lot of things by myself and with my family. But I'll be explaining what I like to do there. The things I do there is to play disc golf with my dad. The game is pretty fun but takes a long time. My family also goes to the park there usually. It's mostly just my sisters that go there.

Sometimes I also go there but not all the time. The final thing that my family does is to go to the pool in the summer.

In Prentis Park I Love to go to the pool and swim with friends. The orange slide is my favorite! I also like to play disc golf with my dad on weekends. Horseshoes might be my favorite thing to do at Prentis Park though. My Brother Griffin and I also like to go on bike rides in the park. Sometimes we will stop at the playground for the swings. Once in a while my family will have a picnic in the shelters and those are always fun. These are just some of the fun things I love to do in Prentis Park.

I like to do a variety of different things at Prentis Park. Some of which include frisbee golf, picnics, and playing on the playground with friends. I love to play frisbee golf with my family because it is a very easy and fun activity. Picnics are such amazing bonding time with the people you love. Furthermore, playing on the playground and just enjoying the outdoors and wilderness are some of the most enjoyable things you can do. In closing, I have lots of different things that I like to do at Prentis Park, especially things that include friends and family.

I like to go on the Swifty think. I like to go really fast on it and to sit/stand on it. could be scary or fun. I also like to play tag all around. I play tag around the disc golf and all around the basketball court. Another thing I like to do is to play basketball with myself and other people to. I also really like to ride my skateboard around the sidewalks around prentis Park. The last thing I like to do around Prentis is go into the pool and have fun. During the summer I go to the pool almost everyday! I go there with friends, sometimes I go with family, and sometimes I go alone, but it is really fun. I am Brooklyn and I think Prentis is REALLY Fun!

I love Prentis Park because it's a safe spot
for my friends and I to swim. I also love the
concession stand. The employees are kind, and
care deeply. I know if I go to Prentis I will be safe;
41 I also love the low prices and available seating.
Because of the environment, I feel welcome
there. The separation of ages in the pool is another
thing I love. I don't have to worry about having a
78 little kid. It's a close distance to most things in
Vermillion, so I can walk there. Prentis Park is the
best!
