I like Prentis Park because it is fun and exciting. I like to play on the playground. My favorite games are tag, floor is lava, and infection. I like to climb and jump on the playground. I am happy when I go to the pool because I get to go off the diving board, go down the waterslide, and go under the water because it is deep. I also love the pool because that is where I learned to swim. That is why I love to be at the park.

When I am at Prentis Park, I love to play tag, hide and seek, and swing. I also love to play frisbee golf. I can see the park from my house, so me and my dad always walk there in the summer. I also like to see the different teams playing baseball cause I am kind of obsed with baseball. I like to go swimming and play sharks with my brother. I also like to play on the equipment with my brother and race on the slides. I also like to walk my dog to the park and run around with him.

I love Prentis Park. Prentis Park is a very memreble place for me. I was born here so when I was growing up, a lot my memorys were there. Prentis Park is turning 100 years old this year. (I think.) I love going to the Prentis Plunge (the pool) and swimming with friends and family. Prentis Plunge has SUPER good consessions. The water slides are SOOO fun. Even when the pool isn't open, I love going to the park and just to sit on the swings and talk with my dad. I like going to Prentis with my family and throunghing a frisby to each other. The last thing I will say is that Prentis Park is a very inviting place for anyone who is having a rough day. I LOVE PRETIS PARK!!! ♥!!!
